Do you know a great teacher?

Last year at the Conference we launched our inaugural Teacher Recognition Award. We would love to honour a South Australian Japanese teacher each year but we need you to tell us about them. Do you know someone who goes above and beyond? Perhaps they do a great job advocating Japanese culture and language in their community or they support other teachers at a school or hub group level. If you can think of someone you'd like to nominate, please send us an email with their details and a brief outline of why they deserve the award.
