In celebration of our conference theme, あそびましょう, JLTASA have sourced a bulk order quantity of *kendama* at a highly reduced price. Please read the below information before placing your order via Humanitix (using the conference event link) if interested.

Cost: ~\$10/each (includes Humanitix fees)

Payment is due in full, at time of order.

Item quality: Please note these are not official competition grade *kendama*. The ball has good weight, however the handle is a little shorter than normal. The handle is also not varnished/sealed. See picture for string attachment, as this is different to normal.

Your *kendama* will be available to pick up at the Annual Conference (25th May).
