## Second Hand Stall

Come and swap your いらないもの for たからもの!

～No money required!～

Bring resources that you are longer using to either give away for free on a first come, first served basis OR swap with other teachers.

There will be post-it notes for you to write your name and any extra information if you wish to pass on about the resources.

**Leftover goods to be taken back by the teacher who brought them or donated to Hiroshi Haga's library.**

よろしくおねがいます!
